Friday 22 April 2016

17:30-19:30 Opening / Plenary debate

17:30 Willem Weimar (Netherlands) & Franco Citterio (Italy)

**Incentives for living donation: moving beyond the deadlock**

Moderators: Benjamin Hippen (USA) & Mustafa Al Mousawi (Kuwait)

17:45 Ethical and practical considerations in testing financial incentives

Elisa Gordon (USA)

18:00 Professional and public perspectives

Allison Tong (Australia)

18:15 The kidney sellers; lessons learned in Iran

Sigrid Fry-Revere (USA)

18:30 Debate

19:30-20:30 Networking event – welcome drinks

Saturday 23 April 2016

08:30-10:00 Plenary debate

**Social media and transplantation: pushing the envelope?**

Moderators: Katrina Bramstedt (Australia) & Frank Dor (UK)

08:30 What is wrong with the beauty contest?

Greg Moorlock (UK)

08:45 The donor and patient perspective

Emma Massey (Netherlands)

09:00 Debate

10:30-12:00 Focus sessions:

1. **Inequities in transplantation: strategies to improve access**

Moderators: Allison Tong (Australia) & Faissal Shaheen (Saudi Arabia)

10:30 OP01 African Canadian and east Asian Canadian patients are less likely to have potential living donors when first presenting for evaluation

Istvan Musci (Canada)

10:42 OP02 Psychosocial impact of paediatric living-donor transplantation in donors, recipients and the family: a systematic review

Isabelle Aujoulat (Belgium)
10:54 Increasing access to live donor kidney transplantation: recommendations from a U.S. consensus conference  
James Rodrigue (USA)

11:09 The socio-economic factors affecting access and results of kidney transplantation  
Mirjam Laging (Netherlands)

11:24 Debate

2. Ethical controversies in allocation  
Room 3
Moderators: Medard Hilhorst (Netherlands) & Axel Rahmel (Germany)

10:30 OP05 Young for old – old for young? the moral economy of age and intergenerational relations in organ donation  
Sabine Woehlke (Germany)

10:42 OP06 A public policy based on incentives to address the organ shortage and its consequences: conceptual underpinnings and legal implications  
Melanie Levy (Israel)

10:54 Ethical implications of the use of methodologically limited prognosis scores in organ allocation policy  
Benjamin Hippen (USA)

11:09 Old donors, marginal organs, young recipients - can we continue?  
Undine Samuel (Netherlands)

11:24 Debate

3. Improving adherence: from observation to intervention  
Room 11
Moderators: Emma Massey (Netherlands) & Dianne LaPointe Rudow (USA)

10:30 Building systems of care that support patient’s adherence  
Sabina de Geest (Switzerland)

10:45 Practical approaches to improving adherence in high risk populations  
Paul Harden (UK)

11:00 OP03 The relationship between health literacy, self-management and complications after kidney transplantation  
Louise Maasdam (Netherlands)

11:12 OP04 History of mental health disorders and non-adherence: barriers in access to kidney transplantation  
Istvan Musci (Canada)

11:24 Debate

12:00-13:30 Free communications 1: Deceased donation  
Room 2
Moderators: Diethard Monbaliu (Belgium) & Dale Gardiner (UK)

12:00 OP07 Organ donation agency: a discourse analysis of correspondence between donor and organ recipient families  
Dariusz Galasinski (UK)

12:12 OP08 Design and implementation of a publicly responsive deceased donor kidney allocation system  
Aviva Goldberg (Canada)

12:24 OP09 Advanced nursing practice applied to tissue donation on transplant section of hospital Clínic of Barcelona  
Marc Bohils (Spain)

12:36 OP10 What do we talk about when we talk about increasing donation rates?  
Sara Bea (UK)

12:48 OP11 Significant more consent for organ donation for doctors trained in ‘communication about donation’  
Nichon Jansen (Netherlands)

13:00 OP12 Video based E-Learning in ‘Communication about Donation’ skills for doctors provides a better outcome on consent for tissue donation  
Edwin Vorstius Kruijff (Netherlands)

13:12 OP13 No! An anthropological study of Danish families who refused organ donation when asked at the hospital  
Anja Marie Jensen (Denmark)

Free communications 2: Legal aspects  
Room 3
Moderators: Pablo de Lora (Spain) & Alexander Capron (USA)

12:00 OP14 Living tissue and organ donation by minors: the regulatory framework across Europe  
Kristof van Assche (Belgium)
12:12  OP15  Legal considerations on pre-mortem interventions in donation after circulatory death  Kourosh Saeb-Parsy (UK)
12:24  OP16  Family override of consent for deceased donation: the law and policy in Canada, the United Kingdom, and the United States of America  Maeghan Toews (Canada)
12:36  OP17  Ethical tensions between end-of-life and organ donation  David Rodriguez-Arias (Spain)
12:48  OP18  The "DOHA model of organ donation": from an ethical framework to new national transplant legislation  Riadh Fadhil (Qatar)
13:00  OP19  The law and ethics of preliminary medical measures facilitating organ retrieval: an analysis of the new Swiss legal framework  Melanie Levy (Israel)
13:12  OP20  Healthcare law analyses of the donor registry in the Netherlands: is registered consent to organ donation legally binding after death  Denie Georgieva (NL)

**Free communications 3: Cultural, religious and social aspects (A)**

Moderators: Anwar Naqvi (Pakistan) & Mihaela Frunza (Romania)

12:00  OP21  Guardians of “the gift” - emotional challenges of doctors and nurses working with heart and lung transplantation  Anja Marie Jensen (Denmark)
12:12  OP22  Undergraduate nursing and medical students’ attitudes and knowledge towards organ donation: a survey in Modena-Reggioemilia University  Lisa Giovannini (Italy)
12:24  OP23  Critical care professionals’ knowledge and attitudes related to brain death, cadaveric organ donation and transplantation  Wei Loon Oo (Malaysia)
12:36  OP24  Overview of family refusals to organ donation in Catalonia  Jaume Tort (Spain)
12:48  OP25  Influencers of public trust in the organ donation system in India  Nora Pernesch (India)
13:00  OP26  Increased organ donation willingness after German transplantation scandals: the influence of public attitudes towards brain-death and body concepts  Larissa Pfaller (Germany)
13:12  OP27  The core of social function after solid organ transplantation  Anna Forsberg (Sweden)

**15:00-18:30 Workshops:**

1. **Clinical research in deceased donation: medical, ethical, legal and societal aspects**

Moderators: Rutger Ploeg (UK) & Bernadette Haase (Netherlands)

15:00  Introduction workshop by the chairs
15:13  OP28  An ethical and legal framework for conducting deceased donor research  Alexandra Glazier (USA)
15:25  **WG1:** DCD, in-situ Normothermic Regional Perfusion to increase number and quality of transplantable organs with better utilization compared to conventional preservation  Tineke Wind (Netherlands)
15:30  **WG2:** DBD, targeted intervention in the donor after diagnosis of brain death during donor management but prior to retrieval (e.g. systemic administration of complement inhibitor)  Rutger Ploeg (UK)
15:35  **WG3:** Ex-situ conditioning of ‘high risk’ donor organs including machine perfusion and use of pharmacological agents and stem cells  Diethard Monbaliu (Belgium)
15:40  Break-out sessions
16:30  Break
17:00  Plenary session with draft protocol reports and discussion
18:00  Summary and conclusion
2. Common problems and national approaches to death and deceased donation

Moderators: Thomas Gutmann (Germany) & Medard Hilhorst (Netherlands)

15:00 OP29 Abandoning the dead donor rule: insights from an exploratory survey in Spain Elvira Santiago (Spain)
15:12 OP30 The use of the brain death criterion in organ donation after the circulatory determination of death Anne Dalle Ave (Switzerland)
15:24 The Swiss approach Tanja Krones (Switzerland)
15:44 The Spanish approach Pablo de Lora (Spain)
16:04 Discussion
16:30 Break
17:00 The United Kingdom approach Antonia Cronin (UK)
17:20 The German approach Thomas Gutmann (Germany)
17:40 The Italian approach Marco Vergano (Italy)
18:00 Discussion

3. Public issues in organ donation and transplantation

Moderators: David Rodriguez Arias (Spain) & Sohal Ismail (Netherlands)

15:00 From doubts and fear to public praise: changing perceptions of deceased organ donation in Denmark 1985-2015 Klaus Høyer (Denmark)
15:20 Engaging the public in organ donation Jeantine Reiger (Netherlands)
15:40 Discussion
16:00 OP31 How does public perceive general messages about organ donation – a qualitative research Bernarda Logar Zakrajsek (Slovenia)
16:10 OP32 Partnerships between media and ethics: students peer-to-peer campaigns for organ donation Mihaela Frunza (Romania)
16:30 Break
17:00 Role of transplant coordinators in public engagement Sunil Shroff (India)
17:20 The digital donor card - population’s adoption & future development Jocelyn Corniche (Switzerland)
17:40 Discussion
18:00 OP34 Organ donation card as an ATM card; a joint initiative Masoud Mazaheri (Iran)
18:10 OP35 Depicting moral messages – an analysis of German poster campaigns on organ transplantation Solveig Hansen (Germany)
18:20 OP36 The framing of family veto in organ donation in Canadian Media Samantha Anthony (Canada)
Parallel Sessions

Hot topics for physicians: living donation

10:30-12:00 Moderators: Annette Lennerling (Sweden) & Yaman Tokat (Turkey)
10:30 Justifying nontherapeutic surgery - the ethics of living organ donation  Dominique Martin (Australia)
11:00 Hippocrates in the 21st century: risks for the kidney donor  Frank Dor (UK)
11:30 Living liver donation: risks, selection and informed consent  Gabriela Berlakovitch (Austria)

12:00-13:30 Moderators: Luigi Biancone (Italy) & Nigel Heaton (UK)
12:00 Strategies to expand the living donor pool  James Rodrigue (USA)
12:30 Encouraging non-directed altruistic living donation  Antonia Cronin (UK)
13:00 Psychological donor screening  Dianne LaPointe Rudow (USA)

15:00-16:30 Moderators: Lisa Burnapp (UK) & Michael Bos (Netherlands)
15:00 Kidney exchange and paired donation  Franco Citterio (Italy)
15:30 Anonymity forever after unspecified donation?  Nizam Mamode (UK)
16:00 Transplant tourism, commercialism and trafficking  Frederike Ambagtsheer (Netherlands)

17:00-18:30 Moderators: William Bennet (Sweden) & Paolo Muiesan (UK)
17:00 Living donor liver donation in Europe, data from the European Registry  William Bennet (Sweden)
17:30 Living donor liver transplantation for children: the best you can get  Raymond Reding (Belgium)
18:00 Do we really need living donor liver donation?  Yaman Tokat (Turkey) & Nigel Heaton (UK)

18:30-19:30 Poster viewing & book launch ‘Ethical issues in paediatric organ transplantation’

Sunday 24 April 2016

08:30-10:00 Plenary debate

Heart donation after cardiac death: contradictio in terminis?
Moderators: Thomas Gutmann (Germany) & Arthur Matas (USA)
08:30 Can hearts from DCD donors be used for transplantation  Stephen Large (UK)
08:45 An ethical exploration of the determination of death  Michael Nair-Collins (USA)
09:00 Debate
10:30-12:00 Focus sessions:

4. How informed is the living donor? Room 2
   Moderators: Frank Dor (UK) & Rebecca Hays (USA)
10:30 OP37 Towards a standardized informed consent procedure for live donor nephrectomy: what do surgeons tell potential donors? Kirsten Kortram (Netherlands)
10:42 OP38 Discussions with prospective donors: informed consent when knowledge is limited Arthur Matas (USA)
10:54 Informed consent for living donors: ethical dimensions and research opportunities Elisa Gordon (USA)
11:09 Informing the living donor: Practical approaches to moral dilemmas Lisa Burnapp (UK)
11:24 Debate

5. Anonymous living donation & unbalanced kidney exchange Room 3
   Moderators: Nizam Mamode (UK) & Linda Wright (Canada)
10:30 Anonymous living donation programs Willij Zuidema (Netherlands)
10:45 The participation of compatible pairs in kidney exchange programs Marie-Chantal Fortin (Canada)
11:00 OP42 Non-directed altruistic (unspecific) kidney donation in the UK – nine year experience Rachel Johnson (UK)
11:12 OP43 Anonymity in live kidney donation reconsidered: patients’ and donors’ experiences, preferences and attitudes towards anonymity Dorthe Slaats (Netherlands)
11:24 Debate

6. Rights and duties of health professionals in transplant tourism Room 11
   Moderators: John Gill (Canada) & Seán Columb (UK)
10:30 OP39 Outcome of transplant tourism: a single center experience Meteb AlBugami (Saudi Arabia)
10:40 OP40 Avoiding complicity in foreign transplant abuse David Matas (Canada)
10:50 OP41 Transplant tourism - cases series studies with ethical reflection in Taiwan Alex, Chih-Yu Chen (UK)
11:00 Transplant professionals should breach their secrecy oath Frederike Ambagtsheer (Netherlands)
11:15 Responsibility of professionals in implementing the Council of Europe convention Francis Delmoniço (USA)
11:30 Debate

12:00-13:30 Free communications 4: Ethical and philosophical aspects (A) Room 2
   Moderators: Arthur Matas (USA) & Govert den Hartogh (Netherlands)
12:00 OP44 Is it ethical to procure organs after physician-assisted dying or cessation of treatment in a conscious patient? Julie Allard (Canada)
12:12 OP45 Ethical, legal and psychosocial issues of organ transplantation in the context of euthanasia and physician-assisted suicide: the example of Quebec, Canada Deborah Ummel (Canada)
12:24 OP46 Organ donation after euthanasia: an ethical controversy Jan Bollen (Netherlands)
12:36 OP47 Psychology, ethics and organ donation following assisted death in Quebec: maximizing patient autonomy and minimizing risks for all Marie Achille (Canada)
12:48 OP48 Is it ethical to withhold transplants from obese patients unless they
show willingness and commitment towards weight loss and healthier lifestyles?

Greg Moorlock (UK)

13:00   OP49   Balancing non-maleficence and autonomy: a donor-centered approach to risk assessment
Sanjay Kulkarni (USA)

13:12   OP50   No harm in asking? Social media, living donors and helping ourselves to healthcare resources
Greg Moorlock (UK)

Free communications 5: Psychological aspects - Donors (A)
Room 3
Moderators: Inês Mega (Portugal) & Sohal Ismail (Netherlands)

12:00   OP51   Psychosocial evaluation of living kidney donors: preliminary findings from an international professional survey
Riadh Fadhil (Australia)

12:12   OP52   In their own words: living kidney donors who develop kidney failure
Lainie Ross (USA)

12:24   OP53   "Hey sister! Where's my kidney?" - managing expectations for donor organs, scarce resources, justice and ethics in South African transplant
Harriet Etheredge (South Africa)

12:36   OP54   Psychosocial long-term impact of donation on kidney living donors - a comparative study of two major European transplant centres
Entela Kondo (Spain)

12:48   OP55   Unspecified kidney donors and their families and friends: a qualitative study exploring psychosocial context of donation
Alexis Clarke (UK)

13:00   OP56   Better the donor you know? A qualitative study of renal patient attitudes to ‘altruistic’ live-donor kidney transplantation
Phillippa Bailey (UK)

Free communications 6: Organ trade and paid donation/Incentives
Room 11
Moderators: Hélène Le-Borgne (Belgium) & Anwar Naqvi (Pakistan)

12:00   OP57   Deceased organ donation: why the misplaced promotion of altruism could kill the altruism of the dead
Leonardo de Castro (Singapore)

12:12   OP58   Paying families of deceased donors: unwise and unethical
Alexander Capron (USA)

12:24   OP59   Efficacy of nine national policies reimbursing and incentivizing live organ donation
Sigrid Fry-Revere (USA)

12:36   OP60   The Iran's commercial renal transplantation program Reconsidered
Javaad Zargooshi (Iran)

12:48   OP61   A qualitative study into the modus operandi, investigation and prosecution of organ trafficking networks in South Africa and Kosovo
Frederike Ambagtsheer (NL)

13:00   OP62   Interviews with patients who travelled from Macedonia, Kosovo, The Netherlands and Sweden for paid kidney transplantations
Frederike Ambagtsheer (NL)

13:12   OP63   The sad story of kidney buyers on the Balkans
Ninoslav Ivanovski (F.Y.R Macedonia)

15:00-18:30 Workshops:
4. Pediatric donation and transplantation
Room 2
Moderators: Marion Siebelink (Netherlands) & Karl-Leo Schwering (France)

15:00   Paediatric donation: an overview
Marion Siebelink (Netherlands)

15:15   Care, consent, certainty and conflicts: ethical dilemmas in paediatric DCDD
Dominique Martin (Australia)

15:35   Discussion

15:50   OP64   Life lines: a father’s personal account of organ donation
Magi Sque (UK)

16:02   OP65   Under what conditions should minors be considered as potential hematopoietic stem cell donors: a systematic review of guidelines and protocols
Miha Orazem (Belgium)

16:30   Break
17:00  Impact of living transplantation on family dynamics  Karl-Leo Schwering (France)
17:20  Transplantation and social media: ethical considerations in paediatrics  Rebecca Greenberg (Canada)
17:40  Discussion
17:50  OP67 Where there's smoke...marijuana use in paediatric transplant candidates  Aviva Goldberg (Canada)
18:02  OP68 Ethical management of contraception in adolescent transplant recipients  Aviva Goldberg (Canada)
18:14  OP69 Migration to Germany for renal transplantation of children and adolescents with end stage renal disease  Matthias Galiano (Germany)

5. Psychosocial evaluation, support and education of living donor candidates  Room 3
Moderators: Inês Mega (Portugal) & Emma Massey (Netherlands)
15:00  OP70 An update on the multi-site, prospective kidney donor outcomes cohort (KDOC) study in the USA  James Rodrigue (USA)
15:12  OP71 Predictors for longer-term health-related quality of life of living kidney donors: a prospective multicenter study  Lieke Wirken (NL)
15:24  How to best evaluate live donor candidates? The Live Donor Assessment Tool (LDAT)  Dianne LaPointe Rudow (USA)
15:44  An ELPAT psychosocial screening tool for living donor candidates: from idea to prototype  Emma Massey (Netherlands)
16:04  Discussion
16:30  Break
17:00  OP72 Who should decide?: potential living kidney donor preferences for making decisions about risk  Carrie Thiessen (USA)
17:12  OP73 Living kidney donor priorities for outcomes: a nominal group technique study  Camilla Hanson (Australia)
17:24  OP74 Tailored E-health cognitive behavioral therapy for living kidney donors at risk  Lieke Wirken (NL)
17:36  The role of living donor advocates and application to the European setting  Rebecca Hays (USA)
17:56  Discussion

6. Understanding the human organ trade  Room 11
Moderators: Sigrid Fry Revere (USA) & Michael Bos (Netherlands)
15:00  A critical analysis of the organ trafficking discourse  Seán Columb (UK)
15:15  Prosecuting brokers and doctors in Israel: the latest news on their modus operandi  Gilad Erlich (Israel)
15:30  Organ trafficking in the context of war and political conflict  Nancy Schepers-Hughes (USA)
15:45  Discussion
16:30  Break
17:00  Prevention of transplant tourism  John Gill (Canada)
17:15  Discussion
17:30  OP76 A legal framework to support transnational reporting of transplant-related crimes: the value of extraterritorial jurisdiction  Alexander Capron (USA)
17:40  OP77  Protection of human beings trafficked for the purpose of organ removal: recommendations
Kristof van Assche (Belgium)
17:50  The commodification and trade in human tissues
Michael Bos (Netherlands)
18:00  Discussion

Parallel Sessions
Aula Minor

Hot topics for physicians: deceased donation

10:30-12:00  Moderators: Adibul Rizvi (Pakistan) & Rutger Ploeg (UK)
10:30  Diagnosing death in the 21st Century  Dale Gardiner (UK)
11:00  Public perception of deceased donation: from fear to praise  Klaus Høyer (Denmark)
11:30  Mass media campaigns in organ donation  Jeantine Reiger (Netherlands)

12:30-13:30  Moderators: Bernadette Haase (Netherlands) & Franco Citterio (Italy)
12:30  Children as donors  Marion Siebelink (Netherlands)
13:00  Directed deceased donation  Medard Hilhorst (Netherlands)

15:00-16:30  Moderators: Dirk Ysebaert (Belgium) & Dale Gardiner (UK)
15:00  Donor stewardship and the dual responsibility to donor and recipient  Rutger Ploeg (UK)
15:30  Dead enough? Models of regulation for donation after circulatory determination of death  Thomas Gutmann (Germany)
16:00  Strategies to promote deceased donation in emerging countries  Adibul Rizvi (Pakistan)

17:00-18:30  Moderators: Hélène Le-Borgne (Belgium) & Michael Nair-Collins (USA)
17:00  Organ donation after euthanasia  Dirk Ysebaert (Belgium)
17:30  Reciprocity as leading principle in allocation: the Israeli solution  Jacob Lavee (Israel)
18:00  From whom do we need consent for deceased donation?  David Shaw (Switzerland)

18:30-19:30  Poster viewing & book launch HOTT project

Monday 25 April 2016

08:30-10:00  Free communications 7: Cultural, religious and social aspects (B)
Aula Minor
Moderators: Magi Sque (UK) & Faissal Shaheen (Saudi Arabia)
08:30  OP94  FOEDUS WP 7 - international approach in communication  Marie Lingemann (Germany)
08:42  OP95  Renal transplantation in the Middle East: challenges and opportunities  Ala Ali (Iraq)
08:54  OP96  The outcomes and controversies of transplantation tourism: 11-year lessons from Taiwan  Shi-Wei Huang (Taiwan)
09:06  OP97  Panorama of transplantation in Algeria  Khadidja Habchi (Algeria)
